The Institution of Engineers (IEP) Karachi Centre Members visited the Nazeer Hussain University. The idea was to visit the University New Campus and to inaugurate the Bio Gas Plant. IEP funded the project and all the designing and construction was done by Nazeer Hussain University under the guidance of Engr. Prof. Dr. Brig. (R) Nasim A. Khan, Vice Chancellor of the University. The project was completed in ten days time and was supposed to be displayed at the ENTECH-2013 the mega event of IEP held on December 26 thru 28, 2013 at the Expo Centre Karachi. Due to some technical problems the same could not be displayed. Since then the Bio Gas Plant was put inside the University Campus and the inauguration was awaited. The plant inauguration was done on February 06, 2014 and the ribbon was cut by all the IEP and NHU members. After the inauguration the gas produced by the plant was utilized to cook the lunch for all the guests by the cook of the NHU. The lunch was real delicious and all the guests enjoyed. After the inauguration Engr. Brig (Retd) Prof. Dr. Nasim Khan gave a presentation on the subject and answered all the questions. Engr. Syed Jamshed Rizvu, IEP President and Engr. Nooruddin Ahmed, Chairman IEP Think Tank Committee thanked Engr. Prof. Dr. Brig.(R) Nasim A. Khan for accomplishing the task of Construction and operation of the Bio Gas Project and further the hospitality shown by him and his team for all IEP Members. Last but not the least the delicious lunch cooked on the gas produced by the Bio Gas Plant and the same was very well served. Engr. Brig (Retd) Prof. Dr. Nasim A. Khan to send a project detail report to IEP.

Engr. Major General (Retd) Khalid Mushtaq attended the Think Tank Committee Meeting on Sunday the 9th February, 2014 he discussed about Nuclear Power Plant in Karachi: Safety and Environmental Issues and he informed the house that he served as Member to PAEC and he was convinced that all aspects about the design and safety of the said power plants must have been taken into account and PAEC must have ensured that the design is correct and that all safety precautions have been incorporated. He said there was no reason to doubt the competence of the PAEC, he also highlighted that the campaign in the media is not based on concrete information and is mostly based on hearsay. For an organization like IEP, it would be much better to discuss the matter directly with PAEC Officials
