About Karachi

Karachi is a nesting metropolis of over 20 million people, located on the southern coastline of Sindh Province next to the Arabian Sea. It is the industrial and commercial hub of Pakistan with several industrial zones, an international airport, two seaports and rail and road linkages to the rest of the country. With several renowned universities located in the city, Karachi is a major Centre for education and higher learning in South Asia and Muslim world. The city is an ongoing bonanza of shopping surprises that dazzles with enchanting sights and sounds of amazing bargains. Most hotels, restaurants and many shops accept credit cards. Pakistan standard time is Greenwich Time (GWT) +5hours. The electrical supply is 220-240 volts.

Glimpses of 8th International Civil Engineering Conference

ICEC 2017

International Civil Engineering Conference (ICEC) is a regular feature in the calendar of events for Institution of Engineers Pakistan and its Organizing partner NED University of Engineering and Technology Karachi. It is being organized frequently for almost two decades now. Eight International Conferences have been organized in the past. Every year, the ICEC is held under an innovative theme related to contemporary issues that relate Civil Engineering and Socio-economics of the society. The latest version of ICEC was held on December 23-24, 2016 at Karachi. The Conference was organized in collaboration with Federation of Engineering Institutions of Islamic Countries (FEIIC), Federation of Engineering Institutions of South and Central Asia (FEISCA) and The Asian Civil Engineering Coordinating Council (ACECC). Theme of this conference was "Ensuring technological advancement through innovation based knowledge corridor." More than 40 international papers were presented at the 2016 conference including those from United States, United Kingdom, Malaysia, Sri Lanka, Bangladesh, Iran, and Nepal. The conference was attended by a number of delegates both from academia and industry that provided a great opportunity for the stakeholders to meet and discuss various issues related to Civil Engineering education, profession and recent advancements.

This year, the 9th International Civil Engineering Conference (ICEC 2017) will be organized on **December 22-23, 2017**, under the theme "**Striving towards Resilient Built Environment**". The idea is to bring together latest civil engineering knowledge, research and development efforts from scientific community, engineers and practitioners that can help in contributing towards enhancing the resilience of the societies and thus establish a better built environment. The conference proceedings will also be published.

Conference Tracks

The conference encompasses all areas of civil engineering, including (but not limited to) following:
Structural Engineering, Construction Engineering and Management, Earthquake Engineering, Transportation Engineering, Traffic Simulation and Modeling, Disaster Management, Coastal Engineering, Geo Technical Engineering, Water Resource Engineering, Environmental Engineering

ACECC MEMBERS

FEIIC MEMBERS

FEISCA MEMBERS

The Institution of Engineers Pakistan

The institution of Engineers Pakistan (IEP) was established in 1948. It is the premier national body of engineers working for the advancement of Engineering Profession. It has headquarters at Lahore and centers in all major cities of Pakistan as well as in Riyadh, Saudia Arabia, Tri States (New Jersey, New York and Connecticut) & Bahrain. IEP has signed technical collaboration agreements with more than forty professional Engineering Organizations across the globe. IEP is also the member of six international/ regional engineering bodies and has the honor to represent Pakistan at these forums. IEP Karachi Centre is the biggest centre of IEP. IEP Karachi Centre has been organizing International Civil Engineering Conferences for two decades. Since then it has organized 8 conferences, the last being in 2016. Ninth International Civil Engineering Conference will be a 2-day event jointly organized by IEP Karachi Centre and NED University of Engineering & Technology, Karachi (Civil Engineering Faculty).

NED University of Engineering & Technology

NED University is the oldest engineering institution in Pakistan. It offers Bachelors, Masters and Doctoral Degree Programs. The university is known for producing high quality graduates and for its service to the nation. It has become a place of excellence in Pakistan in higher education and scientific research. These are the results of sustained efforts the university has made over the years towards faculty development, and creativity and innovation.- Various seminars and conferences are held every year which not only provide practical exposure to the students but also a platform for academia-industry collaboration.

Deadlines

Abstract Submission	October 31, 2017
Abstract Acceptance Announcement	November 10, 2017
Full Paper Submission	November 25, 2017
Full Paper Acceptance Announcement	December 05, 2017
Camera Ready Submission	December 10, 2017

For Registrations & other details, Visit ICEC website
www.neduet.edu.pk/icec or
email at icec@iepkarachi.org.pk

Registration Fee

Authors/Presenters/Foreign Delegates	Gratis
Early Bird IEP Non Members (Before 30th October)	PKR 3000 or USD 30
Late Registration IEP Non Members(After 30th October)	PKR 5000 or USD 50
IEP Members	PKR 2000 or USD 20
Students	PKR 1500 or USD 15
IEP Student Members	PKR 1000 or USD 10

9th International Civil Engineering Conference

ICEC 2017

Striving Towards Resilient Built Environment

22 & 23
December, 2017
Karachi, Pakistan

Jointly Organized by

The Institution of Engineers Pakistan Karachi Centre

NED University of Engineering & Technology

In Collaboration with

Instruction for Authors

Abstracts must be typed and single spaced having a maximum length of 175 words with 5 keywords. It must contain paper title, author's name, organization, email, phone and fax numbers. Paper submission instruction and Paper template is available to download at conference website. www.neduet.edu.pk/icec
Abstracts and Papers must be submitted through email only

Recognized CPD Activity

PEC will award credit points to participating engineers as per their defined criteria.

Advisory Board

Engr. Prof. Dr. S.F.A. Rafeeqi Chairman IEP, Karachi Centre	Engr. Prof. Dr. Sarosh H. Lodi Vice Chancellor, NEDUET & Convenor ICEC 2017
Engr. Sohail Bashir Vice Chairman (Civil), IEP, Karachi Centre & Chief Organizer ICEC 2017	Engr. Ayaz Mirza Secretary IEP, Karachi Centre
Prof. Dr. Abdul Jabbar Sangi Co-Convenor- ICEC 2017 (ajsangi@neduet.edu.pk)	Dr. Farrukh Arif Co-Convenor- ICEC 2017 (farrukh@neduet.edu.pk / farrukharif@gmail.com) 0092-21-9905-2277

Technical Advisory Committee

Prof. Dr. Jianzhuang Xiao	Tongji University, China
Prof. Dr. M. Talat Birgonul	Middle East Technical University, Ankara, Turkey
Prof. Dr. Yimin Zhu	Louisiana State University, USA
Prof. Dr. Edward J. Jaselskis	North Carolina State University, USA
Dr. Abdul Samad Kazi	VTT Research Center of Finland
Dr. Mehmet Emre Bayraktar	Florida International University, USA
Dr. Mehran Amiri	Payam-e-Noor University, Iran
Dr. Halit Ozen	Yildiz Technical University, Turkey
Dr. Gulbin Ozcan-Deniz	Thomas Jefferson University, USA
Dr. Nipesh Pradhananga	Florida International University, USA
